Subject: Correction to Abatement Resolution No. 160561
I need one (1) resolution number

Purpose and Recommendation

The purpose of this request is for the Board to adopt a resolution for the correction of Resolution No. 160561 which contains an error in the amount of the refund on parcel number 1973-12-4-13-048 for tax years 2014 and 2015.

Background and Discussion

The Board adopted Resolution No. 160561 on September 13, 2016 approving the Petition for Abatement on parcel number 1973-12-4-13-048 for tax years 2014 and 2015. The refund was calculated incorrectly due to the fact the Qualifying Senior Citizen Tax Exemption was not included. The correct refund amount for tax year 2014 is \$69.31 and the correct refund amount for tax year 2015 is 249.10. The Board should adopt one (1) new resolution to properly set forth the correct refund amounts to the property owner.

Board Summary Report

To: Board of County Commissioners

Through: Cheryl L. Ternes, Director, Department of Human Services

From: Angela W. Lytle, Deputy Director, Department of Human Services

Subject: Arapahoe County Chafee Foster Care Independence Program Plan

Request and Recommendation

In November of 2015, the BOCC authorized signature of a three year Chafee Plan. The Colorado Department of Human Services requires annual signature, so the Arapahoe County Department of Human Services requests that the BOCC authorize the Chair to sign the 2016 - 17 Chafee plan effective October 1, 2016.

Background

The Chafee Foster Care Independence Program Plan is developed in accordance with State Department of Human Services rules and is designed to provide ongoing support and intervention services to high risk and vulnerable youth who have been in the custody of Child Protection.

Links to Align Arapahoe

Foster Safe Communities and Foster a Healthier and Vibrant County

Youth who emancipate from the foster care system are at a significantly higher risk of becoming homeless, teen parents, undereducated and involved in the criminal justice system as adults. Proper preparation services while youth are still in the care and custody of Child Protection and adequate and accessible services for youth once they emancipate from Child Protection are vital to success for this very vulnerable and important population.

Discussion

The program is designed to serve youth under the age of 16 who are in licensed placement with a current goal of other planned permanent living arrangement or long term foster care, youth ages 16 – 21 if in placement at time of identification, youth who were originally in foster care on or after their 18th birthday who have emancipated and adopted youth. Referrals are accepted from the Division of Youth Corrections (DYC), community partners such as Urban Peak, foster parents, placement staff, Court Appointed Special Advocates (CASA), etc. In addition, significant outreach occurs through the Aurora Housing Authority, University of Denver Helping Teen Girls Learn about Healthy Relationships Program, Urban Peak, Arapahoe/Douglas Youth Works/Workforce Investment Act, United Way’s Bridging the Gap Program, Arapahoe Community College, Aurora Community College, Denver Community College, Red Rocks

Community College, Job Corps., Planned Parenthood, College In Colorado/College Invest, etc., to assure that those eligible are being served.

The primary objectives of Chafee include:

1. Help youth make the transition to self-sufficiency.
2. Help youth receive the education, training, and services necessary to obtain employment.
3. Help youth prepare for and enter post –secondary training and educational institutions.
4. Provide personal and emotional support to youth.
5. Provide services to former foster youth ages 18 – 21 years of age.

Arapahoe County Division of Child and Adult Protection Services contracts with Shiloh House to provide all Chafee Services for Arapahoe and Douglas County eligible youth.

Alternatives

Chafee is a federally mandated program, thus no alternatives available.

Fiscal Impact

Chafee Programs are federally funded across the nation and the Arapahoe County Department of Human Services Division of Child and Adult Protection Services receives an annual allocation sufficient to support the program.

The total Chafee allocation is approximately \$145,000, 100% federal funds that require no county match and with 100% dedicated to service provision through Shiloh House.

Concurrence

The Colorado Department of Human Services has authorized this plan and related expenditures.

To: Board of County Commissioners

Through: Ron Carl, County Attorney

From: Robert Hill, Asst. County Attorney

Subject: Approval and Execution of Quitclaim Deed to convey mineral rights; Tilton

Request and Recommendation

This agenda item is to request approval of a resolution to approve and authorize the Chair's signature on a quitclaim deed to convey mineral rights back to Merle D. Tilton and Donna M. Tilton that may have been obtained by reason of the deed from the Tilton's conveying land for right of way to the county. It is recommended that the Board approve the quitclaim deed and authorize the Chair's signature on same to convey any mineral rights associated with the property acquired by the right of way deed back to the Tilton's.

Background

By Warranty Deed, dated March 29, 1989, 25' of right-of-way for Watkins Road was conveyed to Arapahoe County. Due to the nature of the deed and the dealings between the parties there has been some confusion about whether the deed was intended to convey a fee interest, which also would have conveyed the oil and gas rights, or whether it was only a right of way easement, which would not have conveyed the oil and gas rights.

Discussion

Due to the specific circumstances surrounding this transaction and in order to clear the title to the oil and gas rights, it is recommended that a quit claim deed be executed conveying the oil and gas rights back to the grantors.

Alternatives

The Board could opt to not execute the deed.
