MEDIA RELEASE

ARAPAHOE COUNTY SHERIFF'S OFFICE HOMICIDE UPDATE

On Tuesday, April 2, 2013, at about 11:10 A.M., deputies of the Arapahoe County Sheriff's Office (ACSO) were called to an apartment in the 8600 block of East Dry Creek Road to conduct a welfare check on the resident of the apartment. Deputies discovered a deceased female in the apartment, who has now been identified as:

Mae S. Kuroki

Age 81

Based on details developed by ACSO on the initial welfare check call, information was given to other law enforcement agencies regarding a potential suspect in the death of Ms. Kuroki. Shortly thereafter, the Douglas County Sheriff's Office (DCSO) received a call for service related to a medical issue in the 11000 block of East Lansing Circle in Douglas County. After DCSO deputies arrived on scene of that call, they advised ACSO that they were in contact with the suspect, who has been identified as:

David Wayne Kuroki

Age 53

An Internationally Accredited Agency

Committed to Quality Service with an Emphasis on Integrity, Professionalism and Community Spirit.

David Wayne Kuroki, who is the son of the victim, was transported to a local hospital to be treated for self-inflicted injuries.

The Arapahoe County Sheriff's Office will provide additional details regarding this ongoing investigation as they become available.

For additional information, contact Undersheriff David Walcher at 303.435.3366.
