SHERIFF'S OFFICE INVESTIGATES VEHICULAR HOMICIDE

On Sunday, December 8, 2013 at about 9:15 P.M., the Arapahoe County Sheriff's Office responded to the area of 4600 South Reservoir Road to investigate a reported traffic crash involving serious injuries. Sheriff's Deputies determined that three vehicles were involved in the traffic crash, with several individuals injured.

Cunningham Fire Protection District paramedics provided aide to the injured parties. One driver, trapped in the wreckage of his vehicle, was pronounced dead at the scene. The deceased victim is not being identified at this time. Other victims were transported to area hospitals for further medical care.

The Sheriff's Office investigation determined that a white Dodge truck, traveling southbound on South Reservoir Road, crossed into the northbound lanes striking another vehicle head-on. The investigation has further determined the driver of the truck may have been under the influence of alcohol at the time of the traffic crash.

The suspect is identified as:

Dashane McKee
Age 34
Centennial, Colorado

McKee was taken into custody and is being held at the Arapahoe County Sheriff's Office Detention Facility on a \$50,000.00 bond. McKee will be charged with vehicular homicide, vehicular assault, driving under the influence of alcohol, and careless driving causing death.
