Assessor Corbin Sakdol elected president of the Colorado Assessors' Association

Sakdol elected at Dec. 2-5 Annual Winter Conference in Colorado Springs

LITTLETON, CO – Arapahoe County Assessor Corbin Sakdol was elected president of the Colorado Assessors' Association at the 71st Annual Winter Conference, Dec. 2-5, 2013 in Colorado Springs. He is the second Arapahoe County Assessor to lead the organization since 1976.

Sakdol previously served as treasurer and most recently 2nd vice president of the organization. He has served on many CAA committees, including Agriculture, Education, Legislative and Oil and Gas, and has been the chairperson of the Public Relations committee for the past seven years. Sakdol was recognized by CAA as 2012 Assessor of the Year in December 2012.

The Colorado Assessors' Association is dedicated to "Valuing Colorado" with the highest standards of professionalism, using the broadest application of proper appraisal methods, techniques and standards available, to assure statewide equalization in the valuation of real and professional property.

"Corbin is qualified for his new role by significant industry experience and knowledge," said Rod Bockenfeld, chair of the Board of County Commissioners. "Arapahoe County is fortunate to have an elected official so highly respected by his peers and dedicated to serving in this leadership role."

Sakdol is serving his second term as Assessor. He was first elected by voters in 2007 and again in 2011. He has worked for the Assessor's Office since 1990 and is a licensed Certified General Appraiser. Sakdol was a licensed Real Estate Broker for more than 20 years and has a degree in Architectural Technology.

As Assessor, Sakdol oversees the office that discovers, lists, classifies and values all real and personal property in Arapahoe County. The Assessor's Office also is responsible for maintaining public records, including ownership and parcel maps. Each year Colorado Counties are required to submit to the Division of Property Taxation, the Property Tax Administrator, the State Board of Equalization and the County Board of Equalization (the Board of County Commissioners) an Abstract of Assessment.
