**ARAPAHOE HIGH SCHOOL SHOOTING INVESTIGATION
CLAIRE DAVIS AND SHOOTER ACQUAINTED AS FELLOW STUDENTS**

From the early stages of the investigation into the December 13, 2013 shooting at Arapahoe High School, there has been a great deal of speculation regarding any association between Claire Davis, the victim of the shooting, and the shooter. As the result of discussions with the Davis family and friends of Claire Davis, it is clear that Claire and the shooter were school acquaintances, but were never close friends.

At this time, the investigation by the Sheriff's Office has not revealed any indication that Claire was an intended target, or that the shooter knew her location in the school.

The Davis family continues to request that members of the media respect their privacy during these very difficult times.

The investigation into the December 13, 2013 shooting at Arapahoe High School continues.

Additional information will be provided as details are available.
