If you plan to photograph/video/interview at a suggested Vote Center, please adhere to these guidelines.

You may:

- Observe/photo/film voters in line, as they vote (as long as video/paper ballot screen is not shown), and as they exit the Vote Center
- Interview voters as they wait in line and exit the Vote Center after casting their vote, but not while they are voting; and
- Must have permission from any person included in a photo/video/interview.

You may not:

- Take images that show voter's video/paper ballot screen as they mark their votes
- Look/photo/film poll books; or
- Interview election judges or workers
