Treasurer's Office to use new credit card/electronic check provider July 18

New vendor lowers transaction fees, improves customer service for citizens paying property taxes

LITTLETON, CO --- Beginning July 18, the Arapahoe County Treasurer's Office will use a new credit card/electronic check provider that will lower transaction fees and improve customer service for citizens paying property taxes online or by phone.

The Treasurer's Office has secured Point & Pay as the new service provider for payments by electronic check, credit and debit cards. Credit cards accepted include MasterCard, Visa, Discover and American Express. A special flat rate is available for Visa debit cards.

"We are pleased to upgrade the service to citizens who wish to pay their property taxes electronically," said Treasurer Sue Sandstrom. "Not only will Arapahoe County benefit with better service, residents paying property taxes will see lower fees for the convenience of using electronic checks and credit cards to pay their tax bill."

A comparison of the fee changes is as follows:

To pay online, taxpayers will continue to visit the Treasurer's home page at www.arapahoegov.com.

To pay by telephone, call the new phone number 877-387-7073 in order to take advantage of the lower fees. The old phone number for the previous vendor will be active through July 31, 2016.
