Night time closures April 22 - June 15 on Easter Avenue from Peoria Street to Lima Street

Evening road traffic closed due to dirt hauling operation at Centennial Airport

Centennial, CO --- From April 22 - June 15, Easter Avenue will be closed nightly 7 p.m. - 6 a.m. due to a dirt hauling operation for Centennial Airport.

Excavation from the stormwater detention ponds on the north side of Easter Avenue will be hauled to the south side of Easter to create an embankment for a runway. The roadway will be re-opened each morning at 6 a.m. for commuter traffic. During the nightly closure, traffic will be detoured to Peoria Street, Arapahoe Road and Lima Street.

The closure helps protect the safety of County motorists by allowing the Airport to shorten their haul routes and minimize truck traffic on public roadways during a time of reduced traffic volumes. Arapahoe County worked closely with the area emergency service providers to ensure services will continue to function during the closure.

Centennial Airport has contracted with Kelly Trucking to perform this work, which is tentatively scheduled for completion mid-June, pending weather or unforeseen delays.

Motorists should expect evening traffic delays and alternate routes are advised. The County would like to thank residents for their patience and understanding during this time.

For more information, call Public Works and Development at 720-874-6500 or Kelly Trucking at 303-279-4799.
