Arapahoe County honors citizens for serving on Boards, Committees *Commissioners thank volunteers for helping shape their community*

Littleton, Colorado – On Oct. 25, the Arapahoe County Board of County Commissioners recognized 151 citizens who serve on the County's various boards and committees.

Hosted by the Arapahoe County Board of County Commissioners and the Board of County Commissioners' Administration Department, this annual event thanks citizens who dedicate their time and energy to serve on 26 advisory boards and committees and participate in their county government.

"The citizens who serve on these boards and committees are essential for making Arapahoe County a great place to live and work," said Commissioner Rod Bockenfeld, who serves as chair of the Board of County Commissioners. "The amount of time they dedicate to making Arapahoe County an efficient government is very much appreciated."

Anyone interested in serving on an advisory board or committee can complete an application form located on the County's web site at www.arapahoe.co.us or by calling the Board of County Commissioners Office at 303-795-4630. Unless there is a mid-year vacancy, term lengths expire the second week in February with the majority of appointments made shortly thereafter.
