Arapahoe County Motor Vehicle division requires full payment on sales and use tax prior to receiving a temporary registration permit *Proof of payment required as a result of a change in State law*

Littleton, Colo. – Effective, Oct. 17, Arapahoe County Motor Vehicle customers will have to provide proof of payment or pay all sales and use tax in full before receiving a temporary registration permit.

“The State of Colorado recently informed us of this change pursuant to Colorado Revised Statute,” said Clerk and Recorder Nancy A. Doty. “This will be a big change for our customers who are used to obtaining a 20-day temporary registration permit prior to being required to pay all applicable sales and use tax.”

Customers can provide proof of payment of Sales and Use Tax by providing a dealer invoice indicating taxes paid, DR 0024 Standard Sales Tax Receipt or a loan document indicating financing or collection of sales and use tax.

If you have any questions, contact Motor Vehicle at 303-795-4500.
