Byers Cleanup scheduled for August 13

Arapahoe County provide free disposal services for Byers residents

Byers, Colo. --- In an effort to help keep the Town of Byers clean, Arapahoe County will be supplying dumpsters to help residents dispose of useless items found outside their homes.

Residents are invited to toss in tree limbs, wood, metal scraps, old toys, lawn furniture and other items that are taking up unsightly space in their front yard. Please do not use the dumpsters for personal household items found inside the home.

Dumpsters will be at the northeast corner of East Highway 36 and Main Street on Aug.13.

“Partnering with the community to sponsor the annual cleanup is a cost effective way to help residents discard unused outdoor items and help keep the community clean,” said Arapahoe County Commissioner Rod Bockenfeld, who serves as Board Chair.

For items such as paint, used motor oil, antifreeze, household and auto batteries, pesticides and household chemicals, please call Curbside, Inc. at 1-800-449-7587. The fee for their service is \$20.

Please note: This service is for residents only, not commercial contractors. Questions? Please call 720-874-6711 or send an e-mail to tking@co.arapahoe.co.us
