### **Arapahoe County Fleet Division named among nation's 100 best *Fleet operations ranked number 60 out of 38,000 in America***

**Littleton, Colo.** ---For the sixth consecutive year, Arapahoe County's Fleet Division recently was named among the top 100 Best Fleets in North America, and they were one of 9,000 fleet operations that competed for this prestigious award.

"I am proud that our Fleet Management Division continues to be recognized as one of the most advanced and efficient fleets in the nation," said Commissioner Frank Weddig, who represents District 5. "Our Fleet division does a wonderful job providing a very essential service to the County."

The Fleet division performs all preventive maintenance and repairs for all County vehicles and equipment, fuel distribution and inventory control.

The program recognizes and rewards peak performing fleet operations in North America. The 100 Best Fleets program identifies and encourages ever-increasing levels of performance improvement within the fleet industry.

Arapahoe County was chosen in the top 100 after outlining accomplishments in the categories of accountability, use of technology and information, high trust culture, performance recognition/acknowledgement, collaboration, creativity, celebration, doing it right the first time, quick/efficient turn around, competitive pricing, staff development and resources stewardship.
