Arapahoe County citizens needed to serve on Cultural Council *Help determine which entities will receive Scientific Cultural Facilities District funds*

Littleton, Colo. – The Arapahoe County Board of County Commissioners has openings on the Cultural Council and is seeking applications from residents who are interested in helping their community.

There are two openings to represent the City of Aurora. Qualified applicants must be residents of Arapahoe County and must reside in the City of Aurora to apply for these positions.

The Cultural Council considers which non-profit organizations and government entities in the county will receive its share of money from the metro-wide Scientific and Cultural Facilities District sales tax.

The Scientific and Cultural Facilities District is a special regional tax district that provides funding for art, music, theater, dance, zoology, botany, natural history or cultural history organizations in the Denver Metropolitan area.

The deadline for applications is May 31, 2011. To fill out an online application, visit the County's web site at www.co.arapahoe.co.us and click on online tools. Applications also are available at the Commissioners' Office in the County Administration Building, 5334 S. Prince St., Fourth Floor, Littleton.

For more information about serving on an Arapahoe County citizen board or committee or to request an application by mail, call Carol Dosmann in the Commissioners' Office at 303-795-4531.
