Arapahoe County government offices to open at 10 a.m. Tuesday

Arapahoe County government offices will be on a delayed schedule Tuesday with offices opening at 10 a.m. due to cold temperatures and icy road conditions.

All County employees, with the exception of emergency and essential personnel, (Sheriff's Office, Road and Bridge crews, etc.) should report to work by 10 a.m. Emergency and essential personnel should report to work as scheduled.

Citizens are asked to drive slow and give yourself plenty of time to arrive to work safely. If you are experiencing a life-threatening emergency, please call 9-1-1. For residents who live within the Arapahoe County Sheriff's Office service area and have a non-emergency request, contact the Sheriff's Office dispatch at 303-795-4511.

Arapahoe County will post updates on government building closures or delays on the County's web site at www.co.arapahoe.co.us and through the local television news stations and 850 KOA a.m.

For more information about the County's snow removal plan or for additional updates, visit the What's New section of the County's web site at www.co.arapahoe.co.us. Citizens with questions regarding snow removal in their area also can call 720-874-7623 (ROAD).
