Residents spruce up their curb appeal in Strasburg

Arapahoe County provided free disposal services for residents during Town of Strasburg Cleanup

Strasburg, Colo. --- Drive around the Town of Strasburg and you'll see homes with a whole new curb appeal, thanks to the Annual Strasburg Cleanup sponsored by Arapahoe County.

Residents filled 12 dumpsters provided by the County at no charge with useless outdoor items such as tree limbs, old lawn furniture, and scrap lumber as they worked to spruce up their properties and tidy up the town.

"Partnering with the community to sponsor the annual cleanup is a cost effective way to help residents discard unused outdoor items and help keep the community clean," said Arapahoe County Commissioner Rod Bockenfeld, who serves as Board Chair. "We'd like to thank our volunteers from the County's Volunteer Connections program, Swims Disposal Service, D&D Water Service and the Strasburg Recreation District for their event support."

Residents participating in the event found the free dumpster service incredibly helpful.

"This effort means a cleaner and more presentable community for everyone to live in," said first time participant Tim Knapp.
