Arapahoe County Clerk and Recorder wraps up Primary Election *Board of Canvassers finalizes election results Aug. 23*

LITTLETON, CO --- The Arapahoe County Clerk and Recorder's Office has completed the Aug. 10 Primary Election with the results certified by the County Board of Canvassers Aug. 23.

"Arapahoe County had a very successful Primary Election – one of the largest turnouts for a Primary in recent history - but we could not have done it without the help of our election workers and the dedicated County staff who worked together to make it happen," said Clerk and Recorder Nancy A. Doty.

"Everything went smoothly and I appreciate all their hard work. "

The County Board of Canvassers, which consists of Doty as the designated elected official, Arapahoe County Republican Party Representative Arvin Michael and Arapahoe County Democratic Chair Mike Hamrick, unanimously approved the official abstract of votes for the Primary Election.

The Board of Canvassers was required to certify the results of the election by Aug. 23. The duties of the Board include reviewing:

- The name of each candidate receiving votes, the office and the total number of votes received.
- The number of ballots mailed and returned, including those discounted or disallowed, and the reason if the ballot was disallowed.

Arapahoe County held a mail-only Primary Election. Election turnout was 44.15 percent of the County's 195,109 total affiliated active voters, or those registered in the Democratic, Republican or Libertarian parties.
