Strasburg Cleanup scheduled for Sept. 10 - 12

Arapahoe County provide free disposal services for Strasburg residents

Strasburg, Colo. --- In an effort to help keep the Town of Strasburg clean, Arapahoe County will be supplying dumpsters to help residents dispose of useless items found outside their homes.

Residents are invited to toss in tree limbs, wood, metal scraps, old toys, lawn furniture and other items that are taking up unsightly space in the front yard. Please do not use the dumpsters for personal household items found inside the home.

Dumpsters will be at the 5 Acre Strasburg Metro Park (North County Road 153 and East Bison Drive) from Sept. 10 – 12.

“Partnering with the community to sponsor the annual cleanup is a cost effective way to help residents discard unused outdoor items and help keep the community clean,” said Arapahoe County Commissioner Rod Bockenfeld, who serves as Board Chair.

Volunteers are needed to help residents at the site each day. Please call Val Purser at 303-738-7938 for more information.

For items such as paint, used motor oil, antifreeze, household and auto batteries, pesticides and household chemicals, please call Curbside, Inc. at 1-800-449-7587. The fee for their service is \$20.

Please note: This service is for residents only – not commercial contractors. Questions? Please call 720-874-6711 or send an e-mail to tking@co.arapahoe.co.us
