Workforce center hosts no-cost workshops and job fair for youth

Learn the skills to 'wow' employers in advance of July 11 youth hiring event

Centennial, Colo. – The Arapahoe/Douglas Works! Workforce Center will host a multi-employer job fair in July for youth ages 14-21, along with pre-fair workshops to help young job-seekers learn how to approach employers in a competitive and busy job fair environment.

The Youth Job Fair will take place 4 to 6 p.m., July 11 at Arapahoe County CentrePoint Plaza, 14980 E. Alameda Dr., Aurora. Employers will be on hand to speak about job opportunities in the customer service, recreation, transportation, food service, call center, hospitality and retail industries.

In order to help youth make a good first impression at the Job Fair, the workforce center will offer three no-cost workshops 1:30 to 4:30 p.m., July 8, 9 and 10 at CentrePoint Plaza. Attendees will learn how to navigate a job fair, approach employers, request information and make a strong first impression, as well as receive guidance on résumés, job applications and interviews. Youth who attend one of the workshops will be admitted to the Job Fair at 3 p.m., allowing them to get in front of employers first.

These events are part of the workforce center's *Job Locker series* to help local youth unlock their potential and find employment, and are sponsored by the [Governor's Summer Job Hunt](#).

Pre-registration is required. To register, please visit www.adworks.org and click on "Upcoming Events," or call 303-636-1260. A résumé and professional dress also are required for the Job Fair.

Job-seekers of all ages can tap into a wide variety of no-cost employment services at Arapahoe/Douglas Works! The workforce center offers hiring events, workshops, career and personality assessments, employment counseling and more at its locations in Aurora, Centennial and Castle Rock. For more information, please visit www.adworks.org.
