Media Advisory Guidelines for media coverage on Election Day

LITTLETON, CO --- Arapahoe County has received a number of requests by members of the news media to take video or photographs of polling places on Election Day. If you plan to photograph/video/interview at a suggested polling site, please adhere to these guidelines.

You may:

- Observe/photo/film voters in line, as they vote (as long as video/paper ballot screen is not shown), and as they exit the polling place
- Interview voters as they exit the polling place after casting their vote, but not while they are voting.
- Must have permission from any person included in photo/video/interview.

You may not:

- Take images that show voter's video/paper ballot screen as they mark their votes
- Look/photo/film poll books
- Interview poll workers

Below is a list of suggested polling places located throughout Arapahoe County for news organizations to cover. These are polling places that historically receive strong and steady turnout on Election Day.

If you would like to visit these or any other polling site, please contact Arapahoe County Clerk and Recorder Nancy Doty so she may notify the election judges on site. You can reach Doty via Andrea Rasizer, Communication Services Director, at 303-882-1909 or the Election Media Hotline at 303-795-4290 on Election Day.
