### **Arapahoe County's Consolidated Annual Performance Report is available online at [www.co.arapahoe.co.us](http://www.co.arapahoe.co.us)**

**Littleton, Colo.** --- Arapahoe County's 2007 Consolidated Annual Performance Report has been finalized, submitted and accepted by the U.S. Department of Housing and Urban Development, and is available for public viewing on the Arapahoe County web site at [www.co.arapahoe.co.us/Departments/CS/HCDs/hcdsindex.asp](http://www.co.arapahoe.co.us/Departments/CS/HCDs/hcdsindex.asp).

Annually, Arapahoe County reports on the accomplishments of its entitlement grant programs, such as Community Development Block Grants, HOME funds, and the American Dream Downpayment Initiative, which provide services and funds for projects in the community.

Funds to the tune of more than \$2 million were used specifically to improve the lives, homes and neighborhoods of low and moderate-income residents of Arapahoe County.

This report acknowledges the activities and assesses the performance in relation to the 2004-2008 Five-Year Consolidated Plan. The County has included narratives, maps and data in the CAPER as well as charts to assist the reader evaluating the activities of the grants.

Organizations serving Arapahoe County's low-income communities with infrastructure and public improvements, housing, or limited public service may be eligible to receive funding from the County. Applications for the next grant cycle are currently being reviewed.

For more information or to be placed on the mailing list, please call 303-738-8060.
