Arapahoe County hosts Oct. 3 transportation meeting

Public, community leaders are invited to attend to learn more about Colorado's transportation needs, recommendations of Governor Ritter's Blue Ribbon Panel

LITTLETON, CO --- Arapahoe County residents and community leaders are invited to attend an Oct. 3 meeting to learn more about the findings of Governor Ritter's Blue Ribbon Panel and how to address Colorado's current and future transportation needs.

Arapahoe County is hosting the meeting, which will be held at 9 a.m., Oct. 3 at CentrePoint Plaza, 14980 E. Alameda, Aurora. Citizens, education, business and non-profit leaders, as well as government officials and the local news media are encouraged to attend.

"Arapahoe County has always been a leader in addressing regional transportation issues so we felt it was appropriate to host the Colorado Department of Transportation and Governor Ritter's Blue Ribbon Panel to determine the next best steps to solving our transportation problems," said Commissioner Susan Beckman, who serves as Chairman of the Board of County Commissioners. "Everyone is invited to join us as we help set a clear direction to address the transportation needs of our community and the Denver metro area."
