Anne Cecilione to serve as Manager of Project Operations for Arapahoe County

LITTLETON, CO --- Arapahoe County today announced the promotion of Anne Cecilione of the Facilities and Fleet Management Department to Manager of Project Operations. Cecilione will begin her new duties immediately managing all facility related projects within the County.

“Anne has been a key part of our success and we are thrilled to promote her to this important position,” said Bob Patterson, Facilities and Fleet Management Director.

Cecilione has worked for Arapahoe County for 21 years in the Project Management Division which manages all County owned facilities, new facility construction and many infrastructure, utilities and grounds projects. Her portfolio of projects includes the construction of the Arapahoe County Eastern Service Center near Byers and the recent large scale finish of leased space for the Arapahoe/Douglas Works program.

“I am looking forward to the opportunities that are associated with this position and am looking forward to the continuing evolution of not only Facilities and Fleet Management, but the County as a whole,” said Cecilione.

Arapahoe County owns or operates more than 20 buildings consisting of approximately two million square feet.
