Temporary road closure on Picadilly Road and Quincy Avenue

South Picadilly Road immediately north and south of East Quincy Avenue will be closed between July 21 through August 5 for construction

Aurora, Colorado – Arapahoe County will close Picadilly Road, north and south of Quincy Avenue, to expedite construction of the northwest corner of the Quincy/Picadilly intersection. The temporary closure will begin Monday morning July 21 and will re-open Tuesday morning Aug. 5.

Detour routes for Picadilly Road will be posted and redirected to Himalaya. Traffic on Quincy Avenue will remain open throughout the duration of the project and will require shifting westbound traffic to the recently constructed eastbound lanes on Quincy Avenue. Traffic flow impacts are expected to be minimal.

On the weekends of July 26/27 and August 2/3, right turns from eastbound Quincy Avenue to southbound Picadilly Road will be allowed between the hours of 10 a.m. and 5 p.m. Similarly, on the same weekends, right turns from northbound Picadilly Road to eastbound Quincy Avenue will be allowed between the hours of 10 a.m. and 5 p.m.

The 15-day closure will allow for acceleration of construction of the Quincy/Picadilly intersection improvements and save approximately \$100,000 over other alternatives, and will occur during the summer, prior to school traffic in the area.

If you have any questions, contact Brian Love, Assistant CIP Program Manager, at 720-874-6500.
