## MEDIA RELEASE

### **Arapahoe County Sheriff's Office To Increase Business Hours**

Effective Monday, July 7, 2008, the Arapahoe County Sheriff's Office will be expanding public business hours to 7:00am through 6:00pm, Monday through Friday. The increase in hours will allow the public greater access to the Sheriff's Office during the day, and will enable citizens to conduct business at the Sheriff's Office before, and after, typical work hours.

This increase in public hours is being implemented at no additional cost because many Sheriff's Office employees will be converting shift schedules to a ten-hour work day. The expanded business hours, and modified shift schedules, will provide enhanced service hours to the public while supporting the efforts of our citizens and employees to conserve fuel and reduce pollution by limiting vehicle trips. The modified shift schedules will also cut employees' commuter trips by one day per week, resulting in a 20 percent reduction in vehicle trips, per employee per week.

We encourage the community to take advantage of our increased public hours and join the Sheriff's Office efforts in reducing fuel consumption and pollution in our community.

For additional information, please contact Sheriff Grayson Robinson at 720-874-4165.
