## **Tamra White receives Excellence in Practice Award from the State**

*White recognized for her work on behalf of children and families*

**LITTLETON, CO** --- Assistant County Attorney Tamra White recently received the Excellence in Practice Award from the State of Colorado Judiciary for her expertise, litigation skills and professionalism as a result of her hard work on behalf of Arapahoe County Human Services. This prestigious award is given by judges and others involved in children, youth and family law.

“Tamra’s hard work has benefited the County Attorney’s Office and the Human Services department,” said Commissioner Rod Bockenfeld, who represents District 3. “Her professionalism and passion for her job is evident in the work that she does.”

The Excellence in Practice Awards were established to recognize county caseworkers, supervisors, administrators, county units or other county staff members who have demonstrated excellence in the field of Child Welfare during the past year.

“I am so honored to have received this award,” said White. “Children are truly our future; if we don’t protect and serve their needs then we all lose an important part of ourselves.”
