Byers residents get ready to clean house

Arapahoe County offers dumpsters April 4-14 to assist town residents with annual spring cleanup

It's Spring time and the Town of Byers will be getting into the cleaning mode during the Annual Byers Spring Cleanup April 4 -14, sponsored by Arapahoe County.

The County's Public Works and Development department will provide free dumpsters at the Byers School Parking lot, 444 East Front Street to help residents discard items found outside their homes. No personal large household items such as couches, recliners and refrigerators will be accepted.

The clean-up effort is offered every year to help Byers residents spruce up their properties and tidy up the town.

"Byers residents have a lot of pride in their community and the County wants to do its part to keep it that way," said Commissioner Rod Bockenfeld, who represents District 3. "The County sponsors the clean up each year by providing dumpsters to make it easier for residents to discard items. It's a cost effective way for residents to participate and a great way to clean up the community. We look forward to working with Byers residents during the cleanup effort."

For more information, please contact Tammy King, Zoning Administrator at 720-874-6711.
