Arapahoe County Clerk and Recorder reminds citizens that they may obtain copies of their deed of trust online at no cost
Letters to citizens from outside company were not sent by the Clerk and Recorder's Office

Littleton, Colo. – During, the past couple of weeks, Arapahoe County citizens have been receiving letters from an outside company requesting citizens send in a check to obtain a certified copy of their Property Deed.

“We want to make it very clear to citizens that this letter was not sent from our office,” said Clerk and Recorder Nancy A. Doty. “Citizens may print an unofficial copy of their Property Deed, or any other recorded document, online at no cost.”

Although property owners are not required to have a certified copy of their Property Deed in their possession, they may order a certified copy online at <http://www.co.arapahoe.co.us/Departments/CR/Recording/index.asp> for 25 cents per page and \$1 for certification plus a minimal convenience fee of \$2. Citizens may purchase a certified copy at the Clerk and Recorder's Office at 5334 S. Prince St. in Littleton and no convenience fee will be charged.
