Arapahoe County's Consolidated Annual Performance Report Available Online

Littleton, Colo. --- Arapahoe County's 2006 Consolidated Annual Performance Report (CAPER) has been finalized, submitted and accepted by U.S. Department of Housing and Urban Development, and is available for public viewing on the Arapahoe County web site at www.co.arapahoe.co.us/Departments/CS/hcdsindex.asp.

Funds to the tune of more than \$2 million were awarded from HUD specifically to be used to improve the lives and neighborhoods of low and moderate-income residents of Arapahoe County.

Annually, Arapahoe County reports on the accomplishments of the entitlement grant programs, such as Community Development Block Grants, HOME funds, and the American Dream Downpayment Initiative, which provide services and funds for projects in the community.

This report acknowledges the activities and assesses the performance in relation to the 2004-2008 Five-Year Consolidated Plan. The County has included narratives, maps and data from selected computer-generated reports in the CAPER as well as charts to assist the reader evaluating the activities of the grants.

Organizations serving Arapahoe County's low-income communities with infrastructure and public improvements, housing, or limited public service may be eligible to receive funding from the County. Applications for the next grant cycle will be accepted in October 2008.
