

## Arapahoe County Colorado Demographics

### Commuting to Work in Unincorporated Arapahoe County

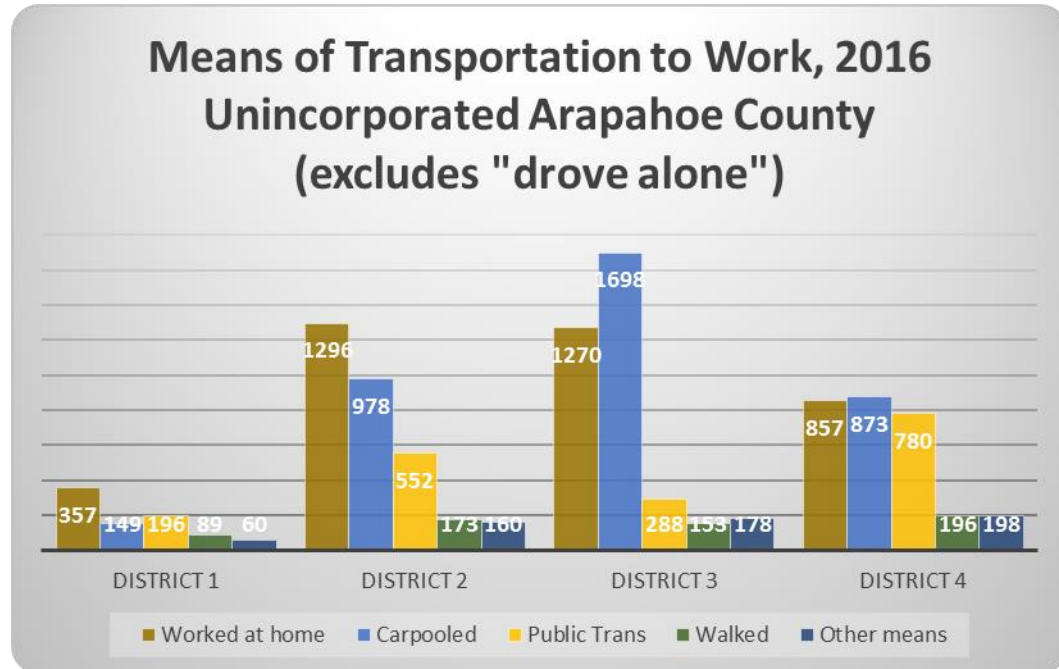

The American Community Survey asks respondents to report on their means of commuting to work. The means of commuting to work for the unincorporated County residents were very similar to the overall County in 2016. The share of persons who worked at home was much higher in the unincorporated area, although the samples were so small that the differences may not be statistically significant.

Mode of Travel	Countywide		Unincorporated	
Drove alone	245,533	77.6%	38,109	78.4%
Carpooled	27,310	8.6%	3,697	7.6%
Public transportation	14,559	4.6%	1,818	3.7%
Walked	5,057	1.6%	611	1.3%
Other means	4,051	1.3%	597	1.2%
Worked at home	20,035	6.3%	3,780	7.8%

## Arapahoe County Colorado Demographics

At the Commissioner District level, the unincorporated portion of District 4 had the highest number of persons who walked to work. (District 5 has no unincorporated population.) District 3 had the greatest number of carpoolers, while District 2 had the largest number of persons who worked at home. In both Districts 1 and 2, those who worked at home exceeded all other categories except drove alone.

## Arapahoe County Colorado Demographics

### Median Travel Time to Work, 2016 Unincorporated Arapahoe County

Another key indicator of commuting is the travel time to work. The travel time for the unincorporated area was 26 minutes compared to 25 minutes for the entire County. As expected, the unincorporated area of District 3, with the far eastern portion of Arapahoe County, had the longest median travel time at 31 minutes. Since District 3 has the largest number of unincorporated residents, it raises the time for the entire unincorporated county. The unincorporated portions of Districts 1 and 2 had travel times over 7 minutes shorter than District 3.
