Dear Eastern Arapahoe County Resident, Land Owner,  
Developer or Builder,

As Colorado continues to grow, Arapahoe County is looking at a proposed rural transportation impact fee. The fee would be a one-time payment on new development only to help offset the impacts on roadway infrastructure that occur with development.

Join Arapahoe County Public Works and Development for a presentation and question and answer session:

Wednesday, Oct. 19, 6 – 7:30 p.m.  
Arapahoe County Fairgrounds, Windmill Rooms  
25690 E. Quincy Ave., Aurora, 80016
