**INSTRUCTIONS FOR COMPLETING THE GESC REVIEW & APPROVAL APPLICATION**

1. The name, address, e-mail, and telephone number of the Property Owner shall be provided. If Applicant is a company, provide the company name, and the name of the individual responsible for contact with the County.
2. The name, address, e-mail, and telephone number of the Engineer or Contractor who prepared the documents submitted shall be provided. The name of an individual who is responsible for contact with the County on the project shall be provided.
3. Project name shall be supplied by Applicant. If this is a resubmittal of documents previously submitted to the Arapahoe County Engineering Division use the same project name and project number associated with the original submittal. For example, if submitted revised drainage or construction plans for review & comment, use the project name on the plat application. If this project has previously been assigned a project number, (e.g. Pxx-xxx, ENGxx-xxx, Exx-xxx). This project number must be included with the project name on the Application. This will expedite the Application process.
4. Project location can be specified by parcel ID number, AIN #; proximity to an adjacent street intersection; and/or by legal address of the project.
5. Total site size shall be provided to establish the review & approval fees.
6. The Applicant shall specify the type of documents to be reviewed by checking the appropriate box on the Application. The type and number of plans shall be listed in the space provided.
7. The Applicant shall identify the application as an initial submittal, re-submittal, 2nd re-submittal or 3rd re-submittal for the action being requested. Final GESC plans submitted for the first time following Board of County Commissioners Approval of the associated plat or development plan are considered an initial submittal.
8. The Application shall specify one of the following by checking the appropriate box(es):
  - a. Land Disturbance (acre)
  - b. Amount of fill or excavation (cubic yards)
  - c. Stockpile (cubic yards)
  - d. Utility line installation/maintenance (linear foot)
9. The Applicant shall state the County action that is being requested. Check the appropriate box and provide and clarifying comments or special conditions. Attach explanatory letter to the application if appropriate.
10. The person submitting the documents shall sign and date the Application (this means the responsible person representing the Project Owner, not the messenger or delivery person).
